

FAMILIA  
**TORRES**

Spanning five generations, the Torres family has been making wines since 1870. Their estate in Penedès, Spain, is founded on a winemaking culture that is committed to tradition and innovation. They treat their vines and the historical landscape they are cultivated on with a deep respect that speaks through the wines they produce.

By displaying a retrospective of Torres Family 2 most celebrated wines, we aim to share the incredible history of one of the most iconic Spanish wine estates.

**LEGEND IN BLACK**

Mas La Plana is the result of the vision and determination of Miguel A. Torres. This exceptional wine burst onto the international scene in 1979, with its first vintage from 1970, by beating the world's greatest Cabernets in the Gault & Millau Wine Olympics held in Paris.

**ANCESTRAL VARIETIES**

Grans Muralles is the first example of a passion project started in the early 1980s to recover ancestral Catalan varieties that had fallen into oblivion. The Garró and Querol varieties are true oenological treasures that were grown by the Spanish forebears. Together with Cariñena, Garnacha, and Monastrell, they embody the spirit of this unique wine.
